As used in this Security Instrument, "RESPA" refers to all requirements and restrictions that are imposed in regard to a "federally related mortgage loan" even if the Loan does not qualify as a "federally related mortgage loan" under RESPA.

BORROWER'S TRANSFER TO LENDER OF RIGHTS IN THE PROPERTY

I mortgage, grant and convey the Property to Lender subject to the terms of this Security Instrument. This means that, by signing this Security Instrument, I am giving Lender those rights that are stated in this Security Instrument and also those rights that Applicable Law gives to lenders who hold mortgages on real property. I am giving Lender these rights to protect Lender from possible losses that might result if I fail to:

(A) Pay all the amounts that I owe Lender as stated in the Note including, but not limited to, all renewals, extensions and modifications of the Note;
(B) Pay, with interest, any amounts that Lender spends under this Security Instrument to protect the value of the Property and Lender's rights in the Property; and
(C) Keep all of my other promises and agreements under this Security Instrument and the Note.

I give a general warranty of title to Lender. This means that I will be fully responsible for any losses which Lender suffers because someone other than myself has some of the rights in the Property which I promise that I have. I promise that I will defend my ownership of the Property against any claims of such rights.

PLAIN LANGUAGE SECURITY INSTRUMENT

This Security Instrument contains promises and agreements that are used in real property security instruments all over the country. It also contains other promises and agreements that vary in different parts of the country. My promises and agreements are stated in "plain language."

COVENANTS

I promise and I agree with Lender as follows:

1. Borrower's Promise to Pay. I will pay to Lender on time principal and interest due under the Note and any prepayment, late charges and other amounts due under the Note.
I will also pay all amounts for Escrow Items under Section 3 of this Security Instrument.

Payments due under the Note and this Security Instrument shall be made in U.S. currency. If any of my payments by check or other payment instrument is returned to Lender unpaid, Lender may require my payment be made by: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location required in the Note, or at another location designated by Lender under Section 15 of this Security Instrument. Lender may return or accept any payment or partial payment if it is for an amount that is less than the amount that is then due. If Lender accepts a lesser payment, Lender may refuse to accept a lesser payment that I may make in the future and does not waive any of its rights. Lender is not obligated to apply such lesser payments when it accepts such payments. If interest on principal accrues as if all Periodic Payments had been paid when due, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until I make payments to bring the Loan current. If I do not do so within a reasonable period of time, Lender will either apply such funds or return them to me. In the event of foreclosure, any unapplied funds will be applied to the outstanding principal balance immediately prior to foreclosure. No offset or claim which I might have now or in the future against Lender will relieve me from making payments due under the Note and this Security Instrument or keeping all of my other promises and agreements secured by this Security Instrument.

2. Application of Borrower's Payments and Insurance Proceeds. Unless Applicable Law or this Section 2 requires otherwise, Lender will apply each of my payments that Lender accepts in the following order:
First, to pay any interest due under the Note;
Next, to pay principal due under the Note; and
Next, to pay the amounts due Lender under Section 3 of this Security Instrument.
Such payments will be applied to each Periodic Payment in the order in which it became due. Any remaining amounts will be applied as follows:
First, to pay any late charges;
Next, to pay any other amounts due under this Security Instrument; and
Next, to reduce the principal balance of the Note.

If Lender receives a payment from me for a late Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the late Periodic Payment and the late charge. If more than one Periodic Payment is due, Lender may apply any payment received from me: First, to the repayment of the Periodic Payments that are due if, and to the extent that, each payment can be paid in full; Next, to the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any

Voluntary prepayments will be applied as follows: First, to any prepayment charges; and Next, as described in the Note.

Not For Legal Use

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note will not extend or postpone the due date of the Periodic Payments or change the amount of those payments.

3. Monthly Payments for Taxes and Insurance.

(a) Borrower's Obligations. I will pay to Lender all amounts necessary to pay for taxes, assessments, water charges, sewer rents and other similar charges, ground leasehold payments or rents (if any), hazard or property insurance covering the Property, flood insurance (if any), and any required Mortgage Insurance, or a loss reserve as described in Section 10 in the place of Mortgage Insurance. Each Periodic Payment will include an amount to be applied toward payment of the following items, which are called "Escrow Items:"

Not For Legal Use

(1) The taxes, assessments, water charges, sewer rents and other similar charges, on the Property which under Applicable Law may be superior to this Security Instrument as a lien on the Property. Any claim, demand or charge that is made against property because an obligation has not been fulfilled is known as a "lien;"

(2) The leasehold payments or ground rents on the Property (if any);

Not For Legal Use

(3) The premium for any and all insurance required by Lender under Section 5 of this Security Instrument;

(4) The premium for Mortgage Insurance (if any);

(5) The amount I may be required to pay Lender under Section 10 of this Security Instrument instead of the payment of the premium for Mortgage Insurance (if any); and

(6) If required by Lender, the amount for any Community Association Dues, Fees and Assessments.

Not For Legal Use

After signing the Note, or any time during its term, Lender may include these amounts as Escrow Items. The monthly payment I will make for Escrow Items will be based on Lender's estimate of the annual amount required.

I will pay all of these amounts to Lender unless Lender tells me, in writing, that I do not have to do so, or unless Applicable Law requires otherwise. I will make these payments on the same day that my Periodic Payments of principal and interest are due under the Note.

The amounts that I pay to Lender for Escrow Items under this Section 3 will be called "Funds." I will pay Lender the Funds for Escrow Items unless Lender waives my obligation to pay the Funds for any or all Escrow Items. Lender may waive my obligation to pay Lender Funds for any or all Escrow Items at any time. Any such waiver must be in writing. In the event of such waiver, I will pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, will promptly send to Lender receipts showing such payment within such time period as Lender may require. My obligation to make such payments and to provide receipts will be considered to be a promise and agreement contained in this Security Instrument, as the phrase "promises and agreements" is used in Section 9 of this Security Instrument. If I am obligated to pay Escrow Items directly, pursuant to a waiver, and I fail to pay the amount due for an Escrow Item, Lender may pay that amount and I will then be obligated under Section 9 of this Security Instrument to repay to Lender. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 of this Security Instrument and, upon the revocation, I will pay to Lender all Funds, and in amounts, that are then required under this Section 3.

I promise to promptly send to Lender any notices that I receive of Escrow Item amounts to be paid. Lender will estimate from time to time the amount of Funds I will have to pay by using

Not For Legal Use

existing assessments and bills and reasonable estimates of the amount I will have to pay for Escrow Items in the future, unless Applicable Law requires Lender to use another method for determining the amount I am to pay.

Lender may, at any time, collect and hold Funds in an amount sufficient to permit Lender to apply the Funds at the time specified under RESPA. Applicable Law puts limits on the total amount of Funds Lender can at any time collect and hold. This total amount cannot be more than the maximum amount a lender could require under RESPA. If there is another Applicable Law that imposes a lower limit on the total amount of Funds Lender can collect and hold, Lender will be limited to the lower amount.

(b) Lender's Obligations. Lender will keep the Funds in a savings or banking institution which has its deposits insured by a federal agency, instrumentality, or entity, or in any Federal Home Loan Bank. If Lender is such a savings or banking institution, Lender may hold the Funds. Lender will use the Funds to pay the Escrow Items no later than the time allowed under RESPA or other Applicable Law. Lender will give to me, without charge, an annual accounting of the Funds. That accounting will show all additions to and deductions from the Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Funds, for using the Funds to pay Escrow Items, for making a yearly analysis of my payment of Funds or for receiving, or for verifying and totaling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Funds and if Applicable Law permits Lender to make such a charge. Lender will not be required to pay me any interest or earnings on the Funds unless either (1) Lender and I agree in writing that Lender will pay interest on the Funds; or (2) Applicable Law requires Lender to pay interest on the Funds.

(c) Adjustments to the Funds. Under Applicable Law, there is a limit on the amount of Funds Lender may hold. If the amount of Funds held by Lender exceeds this limit, then there will be an excess amount and RESPA requires Lender to account to me in a special manner for the excess amount of Funds.

If, at any time, Lender has not received enough Funds to make the payments of Escrow Items when the payments are due, Lender may tell me in writing that an additional amount is necessary. I will pay to Lender whatever additional amount is necessary to pay the Escrow Items when the payments are due, but the number of payments will not be more than twelve.

When I have paid all of the Sums Secured, Lender will promptly refund to me any Funds that are then being held by Lender.

4. Borrower's Obligation to Pay Charges, Assessments and Claims. I will pay all taxes, assessments, water charges, sewer rents and other similar charges, and any other charges and fines that may be imposed on the Property and that may be superior to this Security Instrument. I will also make ground rents or payments due under my lease if I am a tenant on the Property and Community Association Dues, Fees and Assessments (if any) due on the Property. If these items are Escrow Items, I will do this by making the payments as described in Section 3 of this Security Instrument. In this Security Instrument, the word "person" means any individual, organization, governmental authority or other party.

I will promptly pay or satisfy all liens against the Property that may be superior to this Security Instrument. However, this Security Instrument does not require me to satisfy a superior lien if: (a) I agree, in writing, to pay the obligation which gave rise to the superior lien and Lender approves the way in which I agree to pay that obligation, but only so long as I am performing such agreement; (b) in good faith, I argue or defend against the superior lien in a lawsuit so that in Lender's opinion, during the lawsuit, the superior lien may not be enforced, but only until the lawsuit ends; or (c) I secure from the holder of that other lien an agreement, approved in writing

Not For Legal Use

by Lender, that the lien of this Security Instrument is superior to the lien held by that person. If Lender determines that any part of the Property is subject to a superior lien, Lender may give Borrower a notice identifying the superior lien. Within 10 days of the date on which the notice is given, Borrower shall pay or satisfy the superior lien or take one or more of the actions mentioned in this Section 4.

Not For Legal Use

Lender also may require me to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with the Loan, unless Applicable Law does not permit Lender to make such a charge.

5. Borrower's Obligation to Maintain Hazard Insurance or Property Insurance. I will obtain hazard or property insurance to cover all buildings and other improvements that now are, or in the future will be, located on the Property. The insurance will cover loss or damage caused by fire, hazards normally covered by "extended coverage" hazard insurance policies, and any other hazards for which Lender requires coverage, including, but not limited to earthquakes and floods. The insurance will be in the amounts (including, but not limited to, deductible levels) and for the periods of time required by Lender. What Lender requires under the last sentence can change during the term of the Loan. I may choose the insurance company, but my choice is subject to Lender's right to disapprove. Lender may not disapprove my choice unless the disapproval is reasonable. Lender may require me to pay either (a) a one-time charge for flood zone determination, certification and tracking services, or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect the flood zone determination or certification. If I disagree with the flood zone determination, I may request the Federal Emergency Management Agency to review the flood zone determination and I promise to pay any fees charged by the Federal Emergency Management Agency for its review.

Not For Legal Use

If I fail to maintain any of the insurance coverages described above, Lender may obtain insurance coverage, at Lender's option and my expense. Lender is under no obligation to purchase any particular type or amount of coverage. Lender may purchase such insurance from or through any company acceptable to Lender including, without limitation, an affiliate of Lender, and Borrower acknowledges and agrees that Lender's affiliate may receive consideration for such purchase. Therefore, such coverage will cover Lender, but might or might not protect me, my equity in the Property, or the contents of the Property, against any risk, hazard, or liability and might provide greater or lesser coverage than was previously in effect. I acknowledge that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that I could have obtained. Any amounts disbursed by Lender under this Section 5 will become my additional debt secured by this Security Instrument. These amounts will bear interest at the interest rate set forth in the Note from the date of disbursement and will be payable with such interest, upon notice from Lender to me requesting payment.

All of the insurance policies and renewals of those policies will include what is known as a "Standard Mortgage Clause" to protect Lender and will name Lender as mortgagee and/or as an additional loss payee. Borrower hereby absolutely and irrevocably assigns to Lender all of Borrower's right, title and interest in and to all proceeds from any insurance policy (whether or not the insurance policy was required by Lender) that are due, paid or payable with respect to any damage to such property, regardless of whether the insurance policy is established before, on or after the date of this Security Instrument. By absolutely and irrevocably assigning to Lender all of Borrower's rights to receive any and all proceeds from any insurance policy, Borrower hereby

Not For Legal Use

waives, to the full extent allowed by law, all of Borrower's rights to receive any and all such insurance proceeds.

Borrower hereby absolutely and irrevocably assigns to Lender all of Borrower's right, title and interest in and to (a) any and all claims, present and future, known or unknown, absolute or contingent, (b) any and all causes of action, (c) any and all judgments and settlements (whether through litigation, mediation, arbitration or otherwise), (d) any and all funds sought against or from any party or parties whosoever, and (e) any and all funds received or receivable in connection with any damage to such property, resulting from any cause or causes whatsoever, including but not limited to, land subsidence, landslide, windstorm, earthquake, fire, flood or any other cause.

Borrower agrees to execute, acknowledge if requested, and deliver to Lender, and/or upon notice from Lender shall request any insurance agency or company that has issued any insurance policy to execute and deliver to Lender any additional instruments or documents requested by Lender from time to time to evidence Borrower's absolute and irrevocable assignments set forth in this paragraph.

The form of all policies and renewals will be acceptable to Lender. Lender will have the right to hold the policies and renewal certificates. If Lender requires, I will promptly give Lender all receipts of paid premiums and renewal notices that I receive.

If I obtain any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy will include a standard mortgage clause and will name Lender as mortgagee and/or as an additional loss payee.

If there is a loss or damage to the Property, I will promptly notify the insurance company and Lender. If I do not promptly prove to the insurance company that the loss or damage occurred, then Lender may do so.

The amount paid by the insurance company for loss or damage to the Property is called "proceeds." Unless Lender and I otherwise agree in writing, any proceeds, whether or not the underlying insurance was required by Lender, will be used to repair or to restore the damaged Property unless: (a) it is not economically feasible to make the repairs or restoration; (b) the use of the proceeds for that purpose would lessen the protection given to Lender by this Security Instrument; or (c) Lender and I have agreed in writing not to use the proceeds for that purpose. During the period that any repairs or restorations are being made, Lender may hold any proceeds until it has had an opportunity to inspect the Property to verify that the repair work has been completed to Lender's satisfaction. However, this inspection will be done promptly. Lender may make payments for the repairs and restorations in a single payment or in a series of progress payments as the work is completed. Unless Lender and I agree otherwise in writing or unless Applicable Law requires otherwise, Lender is not required to pay me any interest or earnings on the proceeds. I will pay for any public adjusters or other third parties that I hire, and their fees will not be paid out of the proceeds. If the repair or restoration is not economically feasible or if it would lessen Lender's protection under this Security Instrument, then the proceeds will be used to reduce the amount that I owe to Lender under this Security Instrument. Such insurance proceeds will be applied in the order provided for in Section 2. If any of the proceeds remain after the amount that I owe to Lender has been paid in full, the remaining proceeds will be paid to me.

If I abandon the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If I do not answer, within 30 days, a notice from Lender stating that the insurance company has offered to settle a claim, Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 of this Security Instrument or otherwise, I give Lender my rights to any insurance proceeds in an amount not greater than the amounts unpaid under the Note and this

Security Instrument. I also give Lender any other of my rights (other than the right to any refund of unearned premiums that I paid) under all insurance policies covering the Property, if the rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Borrower's Obligations to Occupy The Property. I will occupy the Property and use the Property as my principal residence within sixty days after I sign this Security Instrument. I will continue to occupy the Property and to use the Property as my principal residence for at least one year. The one-year period will begin when I first occupy the Property. However, I will not have to occupy the Property and use the Property as my principal residence within the time frames set forth above if Lender agrees in writing that I do not have to do so. Lender may not refuse to agree unless the refusal is reasonable. I also will not have to occupy the Property and use the Property as my principal residence within the time frames set forth above if extenuating circumstances exist which are beyond my control.

7. Borrower's Obligations to Maintain and Protect The Property And to Fulfill Any Lease Obligations.

(a) Maintenance and Protection of the Property. I will not destroy, damage or harm the Property, or remove or demolish any building thereon, and I will not allow the Property to deteriorate. Whether or not I am residing in the Property, I will keep the Property in good condition and repair that it will not deteriorate or decrease in value due to its condition. Unless it is determined under Section 5 of this Security Instrument that repair is not economically feasible, I will promptly repair the Property in good and workmanlike manner if damaged to avoid further deterioration or damage. Lender shall, unless otherwise agreed in writing between Lender and Borrower, have the right to hold insurance or condemnation proceeds. If insurance or condemnation (as described in the definition of Miscellaneous Proceeds) proceeds are paid because of loss or damage to or condemnation of, the Property, I will repair or restore the Property only if Lender has released those proceeds for such purposes. Lender may pay for the repairs and restoration out of proceeds in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, I promise to pay for the completion of such repair or restoration. Lender does not make any warranty or representation regarding, and assumes no responsibility for, the work done on the Property, and Borrower shall not have any right to rely in any way on any inspection(s) by or for Lender or its agent. Borrower shall be solely responsible for determining that the work is done in a good, thorough, efficient, and workmanlike manner in accordance will all applicable laws.

(b) Lender's Inspection of Property. Lender, and others authorized by Lender, may enter on and inspect the Property. They will do so in a reasonable manner and at reasonable times. If it has a reasonable purpose, Lender may inspect the inside of the home or other improvements on the Property. Before or at the time an inspection is made, Lender will give me notice stating a reasonable purpose for such interior inspection.

Borrower shall (a) appear in and defend any action or proceeding purporting to affect the security hereof, the Property or the rights or powers of Lender; (b) at Lender's option, assign to Lender, to the extent of Lender's interest, any claims, demands, or causes of action of any kind, and any award, court judgement, or proceeds of settlement of any such claim, demand or cause of action of any kind which Borrower now has or may hereafter acquire arising out of or relating to to any interest in the acquisition or ownership of the Property. Lender shall not have any duty to prosecute any such claim, demand or cause of action. Without limiting the foregoing, any such claim, demand or cause of action arising out of or relating to any interest in the acquisition or

Not For Legal Use

ownership of the Property may include (i) any such injury or damage to the Property including without limit injury or damage to any structure or improvement situated thereon, (ii) or any claim or cause of action in favor of Borrower which arises out of the transaction financed in whole or in part by the making of the loan secured hereby, (iii) any claim or cause of action in favor of Borrower (except for bodily injury) which arises as a result of any negligent or improper construction, installation or repair of the Property including without limit, any surface or subsurface thereof, or of any building or structure thereon or (iv) any proceeds of insurance, whether or not required by Lender, payable as a result of any damage to or otherwise relating to the Property or any interest therein. Lender may apply, use or release such monies so received by it in the same manner as provided in Paragraph 5 for the proceeds of insurance.

8. Borrower's Loan Application. If, during the application process for the Loan, I, or any person or entity acting at my direction or with my knowledge or consent, made false, misleading or inaccurate statements to Lender about information important to Lender in determining my eligibility for the Loan (or did not provide Lender with such information), Lender will treat my actions as a default under this Security Instrument. False, misleading or inaccurate statements about information important to Lender would include a misrepresentation of my intention to occupy the Property as a principal residence. This is just one example of a false, misleading or inaccurate statement of important information.

9. Lender's Right to Protect Its Rights in The Property. If: (a) I do not keep my promises and agreements made in this Security Instrument; (b) someone, including me, begins a legal proceeding that may significantly affect Lender's interest in the Property or rights under this Security Instrument (such as a legal proceeding in bankruptcy, in probate, for condemnation or forfeiture, proceedings which could give a person rights which could equal or exceed Lender's interest in the Property or under this Security Instrument, proceedings for enforcement of a lien which may become superior to this Security Instrument, or to enforce laws or regulations); or (c) I have abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and Lender's rights under this Security Instrument.

Lender's actions may include, but are not limited to: (a) protecting and/or assessing the value of the Property; (b) securing and/or repairing the Property; (c) paying sums to eliminate any lien against the Property that may be equal or superior to this Security Instrument; (d) appearing in court; and (e) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Lender can also enter the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, have utilities turned on or off, and take any other action to secure the Property. Although Lender may take action under this Section 9, Lender does not have to do so and is under no duty to do so. I agree that Lender will not be liable for not taking any or all actions under this Section 9.

I will pay to Lender any amounts, with interest, which Lender spends under this Section 9. I will pay those amounts to Lender when Lender sends me a notice requesting that I do so. I will pay interest on those amounts at the interest rate set forth in the Note. Interest on each amount will begin on the date that the amount is spent by Lender. This Security Instrument will protect Lender in case I do not keep this promise to pay those amounts with interest.

If I do not own, but am a tenant on the Property, I will fulfill all my obligations under my lease. I also agree that, if I acquire the full title (sometimes called "fee title") to the Property, my lease interest and the fee title will not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the

Not For Legal Use

Loan, I will pay the premiums for the Mortgage Insurance. If, for any reason, the Mortgage Insurance coverage ceases to be available from the mortgage insurer that previously provided such insurance and Lender required me to make separate payments toward the premiums for Mortgage Insurance, I will pay the premiums for substantially equivalent Mortgage Insurance coverage from a alternate mortgage insurer. However, the costs of this Mortgage Insurance coverage will be substantially equivalent to the cost to me of the previous Mortgage Insurance coverage, and the alternate mortgage insurer will be selected by Lender.

If substantially equivalent Mortgage Insurance coverage is not available, Lender will establish a non-refundable "loss reserve" as a substitute for the Mortgage Insurance coverage. I will continue to pay Lender each month an amount equal to one-twelfth of the yearly Mortgage Insurance premium (as of the time the coverage lapsed or ceased to be in effect). Lender will retain these payments, and will use these payments to pay for losses that the Mortgage Insurance would have covered. The loss reserve is non-refundable even if the Loan is ultimately paid in full and Lender is not required to pay me any interest on the loss reserve. Lender can no longer require loss reserve payments if: (a) Mortgage Insurance coverage again becomes available through an insurer selected by Lender; (b) such Mortgage Insurance is obtained; (c) Lender requires separately designated payments toward the premiums for Mortgage Insurance; and (d) the Mortgage Insurance coverage is in the amount and for the period of time required by Lender.

If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separate payments toward the premiums for Mortgage Insurance, I will pay the Mortgage Insurance premiums, or the loss reserve payments, until the requirement for Mortgage Insurance ends according to any written agreement between Lender and me providing for such termination or until termination of Mortgage Insurance is required by Applicable Law. Lender may require me to pay the premiums, or the loss reserve payments, in the manner described in Section 3 of this Security Instrument. Nothing in this Section 10 will affect my obligation to pay interest at the rate provided in the Note.

A Mortgage Insurance policy pays Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance policy.

Mortgage insurers assess their total risk on all Mortgage Insurance form time to time. Mortgage insurers may enter into agreements with other parties to share or change their risk, or to reduce losses. These agreements are based on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include Mortgage Insurance premiums).

As a result of these agreements, Lender, any owner of the Note, another insurer, any reinsurer, or any other entity may receive (directly or indirectly) amounts that come from a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or changing the mortgage insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." It also should be understood that: (a) any of these agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. These agreements will not increase the amount Borrower will owe for Mortgage Insurance, and hey will not entitle Borrower to any refund; and (b) any of these agreements will not affect the rights Borrower has - if any - regarding the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right (a) to receive certain disclosures, (b) to requires and obtain cancellation of the Mortgage Insurance, (c) to have the Mortgage Insurance terminated automatically, and/or (d) to receive a refund of any Mortgage Insurance premiums that were not earned at the time of such cancellation or termination.

11. Agreements About Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are assigned to and will be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds will be applied to restoration or repair of the Property if (a) the restoration or repair is economically feasible, and (b) Lender's security given in this Security Instrument is not lessened. During such repair and restoration period, Lender will have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect the Property to verify that the work has been completed to Lender's satisfaction. However, the inspection will be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless Lender and I otherwise agree in writing or unless Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender will not be required to pay Borrower any interest or earnings on the Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security given in this Security Instrument would be lessened, the Miscellaneous Proceeds will be applied to the Sums Secured, whether or not then due. The excess, if any, will be paid to me. Such Miscellaneous Proceeds will be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds will be applied to the Sums Secured, whether or not then due. The excess, if any, will be be paid to me.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the Sums Secured immediately before the partial taking, destruction, or loss in value, the Sums Secured will be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the Sums Secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to me.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the Sums Secured immediately before the partial taking, destruction, or loss in value, the Miscellaneous Proceeds will be applied to the Sums Secured whether or not the sums are then due.

If I abandon the Property, or if, after Lender sends me notice that the Opposing Party (as defined in the next sentence) offered to make an award to settle a claim for damages, I fail to respond to Lender within 30 days after the date the Lender gives notice, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the Sums Secured, whether or not then due. "Opposing Party" means the third party that owes me Miscellaneous Proceeds or the party against whom I have a right of action in regard to Miscellaneous Proceeds.

I will be in default under this Security Instrument if any civil or criminal action or proceeding that Lender determines could result in a court ruling (a) that would require forfeiture of the Property, or (b) that could damage Lender's interest in the Property or rights under this Security Instrument. "Forfeiture" is a court action to require the Property, or any part of the Property, to be given up. I may correct the default by obtaining a court ruling that dismisses the court action, if Lender determines that this court ruling prevents forfeiture of the Property and also prevents any damage to Lender's interest in the Property or rights under this Security Instrument. If I correct the default, I will have the right to have enforcement of this Security Instrument discontinued, as provided in Section 19 of this Security Instrument, even if Lender has require Immediate Payment

in Full (as defined in Section 22). The proceeds of any award or claim for damages that are attributable to the damage or reduction in Lender's interest in the Property are assigned, and will be paid, to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property will be applied in the order provided for in Section 2.

12. Continuation of Borrower's Obligations And of Lender's Rights. This Security Instrument cannot be changed or modified except as otherwise provided herein or by agreement in writing signed by Borrower, or any successor in interest to Borrower and Lender.

(a) Borrower's Obligations. Lender may allow me, or a person who takes over my rights and obligations, to delay or to change the amount of the Periodic Payments. Even if Lender does this, however, I will still be fully obligated under the Note and under this Security Instrument unless Lender agrees to release me, in writing, from my obligations.

Not For Legal Use

Lender may allow those delays or changes for me or a person who takes over my rights and obligations, even if Lender is requested not to do so. Even if Lender is requested to do so, Lender will not be required to (1) bring a lawsuit against me or such a person for not fulfilling obligations under the Note or under this Security Instrument, or (2) refuse to extend time for payment or otherwise modify amortization of the Sums Secured.

(b) Lender's Rights. Even if Lender does not exercise or enforce any right of Lender under this Security Instrument or under Applicable Law, Lender will still have all of those rights and may exercise and enforce them in the future. Even if: (1) Lender obtains insurance, pays taxes, or pays other claims, charges or liens against the Property; (2) Lender accepts payments from third Persons; or (3) Lender accepts payments in amounts less than the amount then due, Lender will have the right under Section 22 below to demand that I make Immediate Payment in Full of any amounts remaining due and payable to Lender under the Note and under this Security Instrument.

Not For Legal Use

No waiver by Lender of any right under this Security Instrument shall be effective unless in writing. Waiver by Lender of any right granted to Lender under this Security Instrument or of any provision of this Security Instrument as to any transaction or occurrence shall not be deemed a waiver as to any future transaction or occurrence.

13. Obligations of Borrower And of Persons Taking Over Borrower's Rights or Obligations. If more than one Person signs this Security Instrument as Borrower, each of us is fully obligated to keep all of Borrower's promises and obligations contained in this Security Instrument. Lender may enforce Lender's rights under this Security Instrument against each of us individually or against all of us together. This means that any one of us may be required to pay all of the Sums Secured. However, if one of us does not sign the Note: (a) that Person is signing this Security Instrument only to give that Person's rights in the Property to Lender under the terms of this Security Instrument; (b) that Person is not personally obligated to pay the Sums Secured; and (c) that Person agrees that Lender may agree with the other Borrowers to delay enforcing any of Lender's rights, to modify, or make any accommodations with regard to the terms of this Security Instrument or the Note without that Person's consent.

Subject to the provisions of Section 18 of this Security Instrument, any person who takes over my rights or obligations under this Security Instrument in writing, and is approved by Lender in writing, will have all of my rights and will be obligated to keep all of my promises and agreements made in this Security Instrument. Borrower will not be released from Borrower's obligations and liabilities under this Security Instrument unless Lender agrees to such release in writing. Any person who takes over Lender's rights or obligations under this Security Instrument will have all of Lender's rights and will be obligated to keep all of Lender's promises and agreements made in this Security Instrument except as provided under Section 20.

14. Loan Charges. Lender may charge me fees for services performed in connection with my default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. Borrower shall pay such other charges as Lender may deem reasonable for services rendered by Lender and furnished at the request for Borrower, any successor in interest to Borrower or any agent of Borrower. With regard to other fees, the fact that this Security Instrument does not expressly indicate that Lender may charge a certain fee does not mean that Lender cannot charge that fee. Lender may not charge fees that are prohibited by this Security Instrument or by Applicable Law.

If the loan is subject to Applicable Law which sets maximum loan charges, and that Applicable Law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed permitted limits: (a) any such loan charge will be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (even if a prepayment charge is provided for under the Note). If I accept such a refund that is paid directly to me, I will waive any right to bring a lawsuit against Lender because of the overcharge.

15. Notices Required under this Security Instrument. All notices given by me or Lender in connection with this Security Instrument will be made in writing. Any notice to me in connection with this Security Instrument is considered given to me when mailed by first class mail or when actually delivered to my notice address if sent by other means. Notice to any one Borrower will be notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address is the address of the Property unless I give notice to Lender of a different address. I will promptly notify Lender of my change of address. If Lender specifies a procedure for reporting my change of address, then I will only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender will be given by delivering it or by mailing it by first class mail to Lender's address stated on the first page of this Security Instrument unless Lender has given me notice of another address. Any notice in connection with this Security Instrument is given to Lender when it is actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Law That Governs this Security Instrument; Word Usage. This Security Instrument is governed by federal law and the law of New York State. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might allow the parties to agree by contract or it might be silent, but such silence does not mean that Lender and I cannot agree by contract. If any term of this Security Instrument or of the Note conflicts with Applicable Law, the conflict will not affect other provisions of this Security Instrument or the Note which can operate, or be given effect, without the conflicting provision. This means that the Security Instrument or the Note will remain as if the conflicting provision did not exist.

As used in this Security Instrument: (a) words of the masculine gender mean and include corresponding words of the feminine and neuter genders; (b) words in the singular mean and include the plural, and words in the plural mean and include the singular; and (c) the word "may" gives sole discretion without any obligation to take any action.

Not For Legal Use

17. Borrower's Copy. I will be given one copy of the Note and of this Security Instrument.

18. Agreements about Lender's Rights If the Property Is Sold or Transferred. Lender may require Immediate Payment in Full of all Sums Secured by this Security Instrument if all or any part of the Property, or if any right in the Property, is sold or transferred without Lender's prior written permission. If Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred without Lender's prior written permission, Lender also may require Immediate Payment in Full. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender requires Immediate Payment in Full under this Section 18, Lender will give me a notice which states this requirement. The notice will give me at least 30 days to make the required payment. The 30-day period will be on the date the notice is given to me in the manner required by Section 15 of this Security Instrument. If I do not make the required payment during that period, Lender may act to enforce its rights under this Security Instrument without giving me any further notice or demand for payment.

19. Borrower's Right to Have Lender's Enforcement of this Security Instrument Discontinued. Even if Lender has required Immediate Payment in Full, I may have the right to have enforcement of this Security Instrument stopped. I will have this right at any time before the earliest of: (a) five days before sale of the Property under any power of sale granted by this Security Instrument; (b) another period as Applicable Law might specify for the termination of my right to have enforcement of this loan stopped; or (c) a judgment has been entered enforcing this Security Instrument. In order to have this right, I will meet the following conditions:

(a) I pay to Lender the full amount that then would be due under this Security Instrument and the Note as if immediate payment in full had never been required;

(b) I correct my failure to keep any of my other promises or agreements made in this Security Instrument;

(c) I pay all of Lender's reasonable expenses in enforcing this Security Instrument including, for example, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and

(d) I do whatever Lender reasonably requires to assure that Lender's interest in the Property and rights under this Security Instrument and my obligations under the Note and under this Security Instrument continue unchanged.

Lender may require that I pay the sums and expenses mentioned in (a) through (d) in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer.

If I fulfill all of the conditions in this Section 19, then this Security Instrument will remain in full effect as if immediate payment in full had never been required. However, I will not have the right to have Lender's enforcement of this Security Instrument discontinued if Lender has required Immediate Payment in Full under Section 18 of this Security Instrument.

20. Note Holder's Right to Sell the Note or an Interest in the Note; Borrower's Right to Notice of Change of Loan Servicer; Lender's and Borrower's Right to Notice of Grievance. The Note, or an interest in the Note, together with this Security Instrument, may be sold one or more times. I might not receive any prior notice of these sales.

The entity that collects the Periodic Payments and performs other mortgage loan servicing obligations under under the Note, this Security Instrument, and Applicable Law is called the "Loan Servicer." There may be a change of the Loan Servicer as a result of the sale of the Note. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. Applicable

Not For Legal Use

Law requires that I be given written notice of any change of the Loan Servicer. The notice will state the name and address of the new Loan Servicer, and also tell me the address to which I should make my payments. The notice also will contain any other information required by RESPA or Applicable Law. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to me will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither I nor Lender may commence, join or be joined to any court action (as either an individual party or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other has not fulfilled any of its obligations under this Security Instrument, unless the other is notified (in the manner required under Section 15 of this Security Instrument) of the unfulfilled obligation and given a reasonable time period to take corrective action. If Applicable Law provides a time period which will elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to me under Section 22 and the notice of the demand for payment in full given to me under Section 22 will be deemed to satisfy the notice and opportunity to take correction action provisions of this Section 20. All rights under this paragraph are subject to Applicable Law.

21. Continuation of Borrower's Obligations to Maintain and Protect the Property. The federal laws and the laws of New York State that relate to health, safety or environmental protection are called "Environmental Law." Environmental Law classifies certain substances as toxic or hazardous. There are other substances that are considered hazardous for purposes of this Section 21. These substances are gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. The substances defined as toxic or hazardous by Environmental Law and the substances considered hazardous for purposes of this Section 21 are called "Hazardous Substances." "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law. An "Environmental Condition" means a condition that can cause, contribute to, or other trigger an Environmental Cleanup.

I will not do anything affecting the Property that violates Environmental Law, and I will not allow anyone else to do so. I will not cause or permit Hazardous Substances to be present on the Property. I will not use or store Hazardous Substances on the Property. I also will not dispose of Hazardous Substances on the Property, or release any Hazardous Substance on the Property, and I will not allow anyone else to do so. I will also not do, nor allow anyone else to do, anything affecting the Property that: (a) is in violation of any Environmental Law; (b) creates an Environmental Condition; or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The promises in this paragraph do not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized as appropriate for normal residential use and maintenance of the Property (including, but not limited to, Hazardous Substances in consumer products). I may use or store these small quantities on the Property. In addition, unless Environmental Law requires removal or other action, the buildings, the improvements and the fixtures on the Property are permitted to contain asbestos and asbestos-containing materials if the asbestos and asbestos-containing materials are undisturbed and "non-friable" (that is, not easily crumbled by hand pressure).

I will promptly give Lender written notice of: (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which I have actual knowledge; (b) any

Not For Legal Use

Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance; and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If I learn, or any governmental or regulatory authority or any private party, notifies me any removal or other remediation of any Hazardous Substance affecting the Property is necessary, I will promptly take all necessary remedial actions in accordance with Environmental Law.

Nothing in this Security Instrument creates an obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS

I also promise and agree with Lender as follows:

22. Lender's Rights If Borrower Fails to Keep Promises and Agreements. Except as provided in Section 18 of this Security Instrument, if all of the conditions stated in subsections (a), (b) and (c) of this Section 22 are met, Lender may require that I pay immediately the entire amount then remaining unpaid under the Note and under this Security Instrument. Lender may do this without making any further demand for payment. This requirement is called "Immediate Payment in Full."

If Lender requires Immediate Payment in Full, Lender may bring a lawsuit to take away all of my remaining rights in the Property and have the Property sold. At this sale Lender or another Person may acquire the Property. This is known as "Foreclosure and Sale." In any lawsuit for Foreclosure and Sale, Lender will have the right to collect all costs and disbursements and additional allowances allowed by Applicable Law and will have the right to add all reasonable attorneys' fees to the amount I owe Lender, which fees shall become part of the Sums Secured.

If Borrower or any successor in interest to Borrower files (or has filed against Borrower or any successor in interest to Borrower) a bankruptcy petition under Title II or any successor title of the United States Code which provides for the curing of prepetition default due on the Note, interest at a rate determined by the Court shall be paid to Lender on post-petition arrears.

Lender may require Immediate Payment in Full under this Section 22 only if all of the following conditions are met:

(a) I fail to keep any promise or agreement made in this Security Instrument or the Note, including, but not limited to, the promises to pay the Sums Secured when due, or if another default occurs under this Security Instrument;

(b) Lender sends to me, in the manner described in Section 15 of this Security Instrument, a notice that states:

(1) The promise or agreement that I failed to keep or the default that has occurred;

(2) The action that I must take to correct that default;

(3) A date by which I must correct the default. That date must be at least 30 days from the date on which the notice is given;

(4) That if I do not correct the default by the date stated in the notice, Lender may require Immediate Payment in Full, and Lender or another Person may acquire the Property by means of Foreclosure and Sale;

(5) That if I meet the conditions stated in Section 19 of this Security Instrument, I will have the right to have Lender's enforcement of this Security Instrument stopped and to have the Note and this Security Instrument remain fully effective as if Immediate Payment in Full had never been required; and

(6) That I have the right in any lawsuit for Foreclosure and Sale to argue that I did keep my promises and agreements under the Note and under this Security Instrument, and to present any other defenses that I may have; and

Not For Legal Use

(c) I do not correct the default stated in the notice from Lender by the date stated in the notice.

23. Lender's Obligation to Discharge this Security Instrument. When Lender has been paid all amounts due under the Note and under this Security Instrument, Lender will discharge this Security Instrument by delivering a certificate stating that this Security Instrument has been satisfied. I will pay all costs of recording the discharge in the proper official records. I agree to pay a fee for the discharge of this Security Instrument, if Lender so requires. Lender may require that I pay such a fee, but only if the fee is permitted by a Applicable Law.

24. Agreements About New York Lien Law. I will receive all amounts lent to me by Lender subject to the trust fund provisions of Section 13 of the New York Lien Law. This means that I will: (a) hold all amounts which I receive and which I have a right to receive from Lender under the Note as a trust fund; and (b) use those amounts to pay for "Cost of Improvement" (as defined in Section 13 of the New York Lien Law) before I use them for any other purpose. The fact that I am holding those amounts as a trust fund means that for any building or other improvement located on the Property I have a special responsibility under the law to use the amount in the manner described in this Section 24.

25. Borrower's Statement Regarding the Property [check box as applicable].

ADJUSTABLE RATE RIDER
(12-MTA Index - Payment and Rate Caps)

03-2173-065296678-9

Not For Legal Use

THIS ADJUSTABLE RATE RIDER is made this 18th day of December, 2003, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Washington Mutual Bank, FA (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

2878 NOYAC ROAD, BRIDGEHAMPTON, NY 11963
(Property Address)

Not For Legal Use

Not For Legal Use

THIS RIDER CONTAINS PROVISIONS ALLOWING FOR CHANGES IN MY INTEREST RATE AND MY MONTHLY PAYMENT. MY MONTHLY PAYMENT INCREASES WILL HAVE LIMITS WHICH COULD RESULT IN THE PRINCIPAL AMOUNT I MUST REPAY BEING LARGER THAN THE AMOUNT I ORIGINALLY BORROWED, BUT NOT MORE THAN 110% OF THE ORIGINAL AMOUNT (OR $ 824,175.00). MY INTEREST RATE CAN NEVER EXCEED THE LIMIT STATED IN THE NOTE AND RIDER. A BALLOON PAYMENT MAY BE DUE AT MATURITY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

Interest will be charged on unpaid Principal until the full amount of Principal has been paid. Up until the first day of the calendar month that immediately precedes the first payment due date set forth in Section 3 of the Note, I will pay interest at a yearly rate of 3.568 %. Thereafter until the first Change Date (as defined in Section 4 of the Note) I will pay interest at a yearly rate of 1.250 %. The interest rate I will pay will thereafter change in accordance with Section 4 of the Note.

Section 4 of the Note provides for changes in the interest rate and monthly payment as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the 1st day of February, 2004, and on that day every month thereafter. Each such day is called a "Change Date".

Not For Legal Use

(B) The Index

On each Change Date, my interest rate will be based on an Index. The "Index" is the Twelve-Month Average, determined as set forth below, of the annual yields on actively traded United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (H.15)" (the "Monthly Yields"). The Twelve-Month Average is determined by adding together the Monthly Yields for the most recently available twelve months and dividing by 12.

Not For Legal Use

The most recent Index figure available as of the date 15 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

Not For Legal Use

(C) Interest Rate Change

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two & Three-Tenths percentage points 2.300 % ("Margin") to Current Index. The Note Holder will then round the result of this addition to the nearest one thousandth of one percentage point (0.001%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date. In the event a new Index is selected, pursuant to paragraph 4(B), a new Margin will be determined. The new Margin will be the difference between the average of the old Index for the most recent three year period which ends on the last date the Index was available plus the Margin on the last date the old Index was available and the average of the new Index for the most recent three year period which ends on that date (or if not available for such three year period, for such time as it is available). The difference will be rounded to the next higher 1/8 of 1%.

(D) Interest Rate Limit

My interest rate will never be greater than 8.950 % ("Cap"), except that following any sale or transfer of the property which secures repayment of this Note after the first interest rate Change Date, the maximum interest rate will be the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of such sale or transfer.

(E) Payment Change Dates

Effective every year commencing February 1, 2005, and on the same date each twelfth month thereafter ("Payment Change Date"), the Note Holder will determine the

Not For Legal Use

amount of the monthly payment that would be sufficient to repay the projected Principal balance I am expected to owe as of the Payment Change Date in full on the maturity date at the interest rate in effect 45 days prior to the Payment Change Date in substantially equal payments. The result of this calculation is the new amount of my monthly payment, subject to Section 4(F) below, and I will make payments in the new amount until the next Payment Change Date unless my payments are changed earlier under Section 4(H) of the Note.

Not For Legal Use

(F) Monthly Payment Limitations

Unless Section 4(H) and 4(I) below apply, the amount of my new monthly payment, beginning with a Payment Change Date, will be limited to 7 1/2% more or less than the amount I have been paying. This payment cap applies only to the Principal Payment and does not apply to any escrow payments Lender may require under the Security Instrument.

(G) Changes in My Unpaid Principal Due to Negative Amortization or Accelerated Amortization

Not For Legal Use

Since my payment amount changes less frequently than the interest rate and since the monthly payment is subject to the payment limitations described in Section 4(F), my monthly payment could be less or greater than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid Principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. For each month that the monthly payment is less than the interest portion, the Note Holder will subtract the monthly payment from the amount of the interest portion and will add the difference to my unpaid Principal, and interest will accrue on the amount of this difference at the current interest rate. For each month that the monthly payment is greater than the interest portion, the Note Holder will apply the excess towards a Principal reduction of the Note.

Not For Legal Use

(H) Limit on My Unpaid Principal; Increased Monthly Payment

My unpaid Principal can never exceed a maximum amount equal to 110% of the principal amount original borrowed. In the event my unpaid Principal would otherwise exceed that 110% limitation, I will begin paying a new monthly payment until the next Payment Change Date notwithstanding the 7 1/2% annual payment increase limitation. The new monthly payment will be an amount which would be sufficient to repay my then unpaid principal in full on the maturity date at my interest rate in effect the month prior to the payment due date in substantially equal payments.

(I) Required Full Monthly Payment

On the FIFTH anniversary of the due date of the first monthly payment, and on that same day every FIFTH year thereafter, the monthly payment will be adjusted without regard to the payment cap limitation in Section 4(F).

(J) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in the amount of my

By

monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any questions I may have regarding the notice.

(K) Failure to Make Adjustments

If for any reason, Note Holder fails to make an adjustment to the interest rate or payment amount as described in this Note, regardless of any notice requirement, I agree that Note Holder may, upon discovery of such failure, then make the adjustment as if they had been made on time. I also agree not to hold Note Holder responsible for any damages to me which may result from Note Holder's failure to make the adjustment and to let the Note Holder, at its option, apply any excess monies which I may have paid to partial prepayment of unpaid "Principal."

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Section 18 of the Security Instrument is amended to read as follows:

Not For Legal Use

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement , the intent of which is the transfer of title by Borrower at a future date to a purchaser. If all or any part of the Property or any interest in the Property is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Agreement or other obligations related to the Note or other loan document is acceptable to Lender, (d) Assuming party executes Assumption Agreement acceptable to Lender at its sole choice and discretion, which Agreement may include an increase to Cap as set forth below and (d) payment of Assumption Fee if requested by Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption, and Lender may increase the maximum interest rate limit to the higher of the Cap or 5 percentage points greater than the interest rate in effect at the time of the transfer. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the

Not For Legal Use

Not For Legal Use

transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has entered into a written assumption agreement with transferee and formally releases Borrower.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

Not For Legal Use

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider. Borrower agrees to execute any document necessary to reform this Agreement to accurately reflect the terms of this Agreement between Borrower and Beneficiary or if the original Note, Trust Deed or other document is lost, mutilated or destroyed.
